

Live Demo: Modeling 101

Design - Implement - Play

**CAMUNDA
COMMUNITY
SUMMIT 2023**

Build a Successful Process Model

Design

Collaborate within your organization to build your first process models

Implement

Configure the process models to connect them to your existing code

Play

Confirm the correct behavior of your process models on the Play environment

Camunda Web Modeler

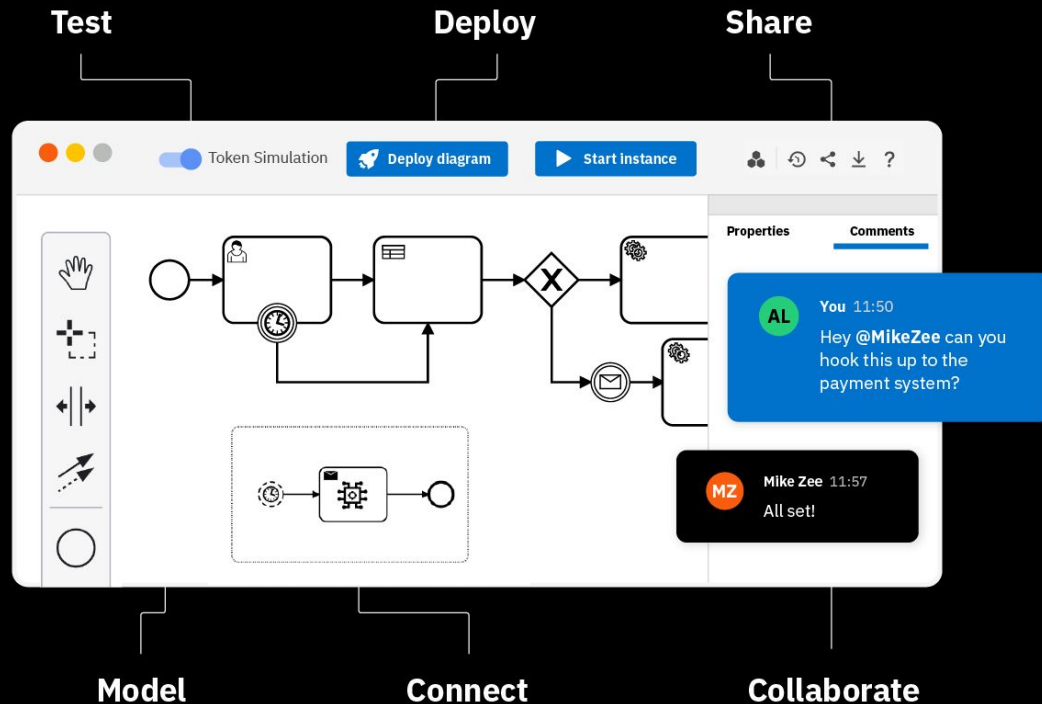

Live Demo Agenda

- ❑ Build a simple “Grant Discount” BPMN process
- ❑ Design & Collaboration features
- ❑ Token Simulation

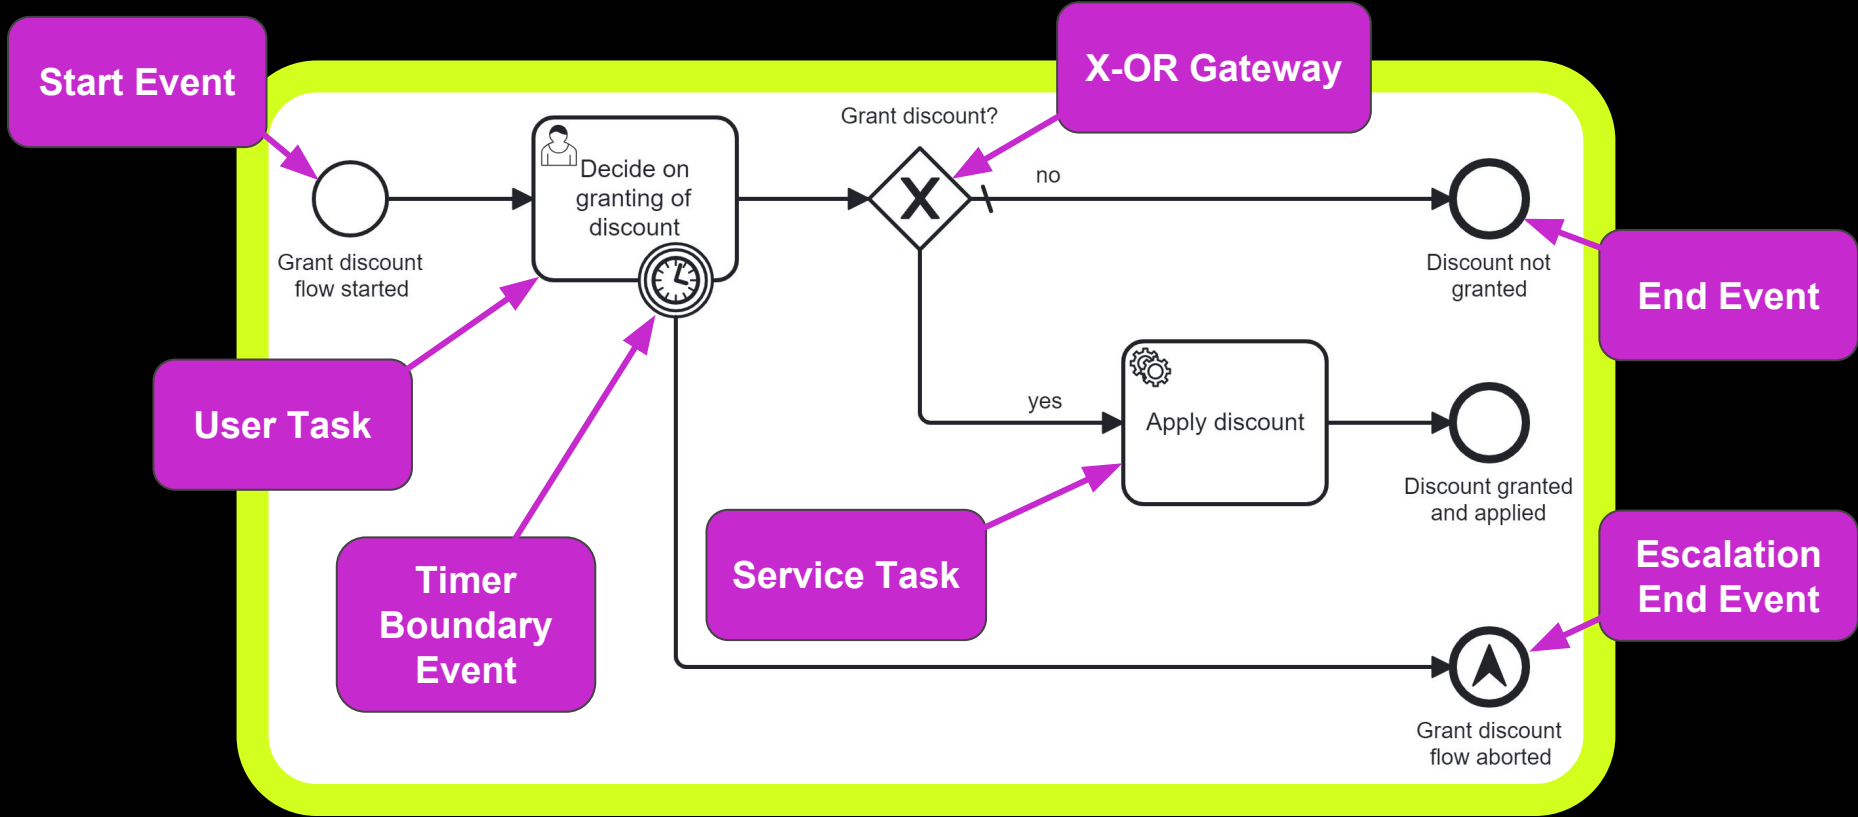

BA+Dev

- ❑ Finalize technical implementation
- ❑ Test the process in the Play environment (alpha feature)

Dev

“Grant Discount” BPMN Process
